OUR STUDENTS' STORIES

I've been learning many things at BFSU, especially the Mandarin language. Today I can communicate in Mandarin with local people in Beijing. I've also made many friends from different countries and religions. The teachers are very helpful, and care not only for our educational development, but also for our personal well-being.

- Ros Anita Bini Romzi, Malaysia

Coming to BFSU was a big step, however you will be able to take a bigger step when you get out of it. Welcome to the university where the cultures mix and tangle! It is not only about where you go, it is about who you go with. Exoticness waits for you here at BFSU!

- AhnJe Lee, Korea

Hi! I am Alexa. This is my second time attending Beijing Foreign Studies University and BFSU has the most beautiful campus in all of Beijing! We love spending time at the library's coffee shop and enjoying the campus greenery. We know you will too.

- Alexa, U.S.A.

Hi, I'm Joel. My first time arriving from the States, I was grateful for the array of opportunities BFSU gave me to expand my personal perspective. It gave me invaluable insight into Beijing, China, and the unique world microcosm contained within the campus.

- Joel, U.S.A.
